The *Healthy Schools...Successful Students* Web site features tools for teachers, nurses, school administrators, community supporters, students, and parents to promote school health.

### Serving Schools and Students

*Healthy Schools...Successful Students* includes evidence-based resources for:

- Health education
- Physical education
- School health services
- School nutrition services
- Mental health and social services
- Healthy and safe school environments
- Health promotion for staff
- Parent, family, and community involvement

### Coordinated School Health

Coordinated school health provides a framework for coordination between the programs, services, and curricula that addresses student, family, and staff health in districts.

The result is a seamless system of services that maximize the health and well-being of students, school staff, and families.
